

Help Out on State Natural Areas

Empire Prairie (Westport Drumlin)

Help care for the Westport Drumlin Unit! Join with Groundswell Conservancy to restore 214 acres of ag fields back to prairie surrounding the 14 acre remnant, Westport drumlin. Spend time collecting seeds, managing invasive plant species, and working on other preserve improvement projects. This will be a monthly event. No skills needed you will be trained onsite.

Date: Second Saturday of month

Time: 9-noon

Directions: Westport drumlin (just north of Madison) or nearby location. Meeting place: [Google map.](#)

What to bring: Dress for the weather, sturdy boots and clothes, gloves. Tools provided.

Contact: Please RSVP for the workday by contacting Tony Abate at tony@groundswellwisconsin.org.
